OR92-66

Dear Mr. Davis:

In informal letter ruling OR91-575, this office advised that we could not determine whether material in certain police daily activity reports was excepted from required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S., unless the portions claimed to be excepted were marked and re-submitted to us. Subsequently, you provided us with documents marked to show the material you claim to be within the section 3(a)(8) exception for records of a law enforcement agency. We agree that the portions you have marked may be withheld under this section. *See* Open Records Decision No. 313 (1982).

Because case law and prior published open records decisions resolve your request, we are resolving this matter with this informal letter ruling rather than with a published open records decision. If you have questions about this ruling, please refer to OR92-66.

Yours very truly,
